Kadambakolli requesting that the shandy

There seems to be some competition between

Veraganambakolli on Saturday & Tuesday

Before the Revenue Minister to the Government of Mysore

Petitioners:- Patel Ramegowda and others of Kadabahalli and surrounding villages of Nagamangala Taluk, Mandya District.

---:---.

Respected Sir,

We, the undersigned, beg to place before you the following facts and solicit early orders on the matter:

Kadabahalli is a village on Kunigal and Channarayapatna high road. A road from Banasandra Railway station to Melukote crosses this road near this village as can be seen from the plan enclosed herewith for kind perusal.

Three years back we moved the authorities to open a shandy near the village and a Resolution was passed in the Mandya District Board to that effect. Then this was objected to, by some people and the matter was allowed to rest there pending further investigation. Again and again we were agitating for the shandy. Now the people of a neighbouring village of Heragamahalli moved by some ingenious people are trying to have the shandy near their own village.

The shandy site near Kadabahalli is selected in a Tope quite close to the High Road. This is in central place from all sides and is suited well for the shandy, whereas shandy site at Heraganahalli is in the interior. Merchants either from the west or east has to cross two big hallas with no causeways or bridges. During heavy rains there is no likelihood of holding shandy at all.

The District Board cannot come to a decision under the present circumstances as they cannot displease any of us and some of the members of the Board are also interested in this matter.

So we request you to kindly get the case investigated by the District Revenue Authorities and pass early orders so that we may have the early benefit of having a shandy.

A copy of the plan showing the location of Kadabahalli and Heraganahalli shandy sites is herewith enclosed for your kind perusal.

To

J.B. Mallaradhya, Esq., M.A.,
Revenue Secretary to the Govt. of Mysore,
Bangalore.

Dear Sir,

I am anxious to bring to your kind notice that the villagers of Kadabahalli approached the Mandya District Board to hold a shandy at Kadabahalli and the District Board passed a Resolution on 20-11-1942 in that connection. Subsequently some interested people of Dadaga village objected to it. Then the investigation began for the justification of a shandy at Kadabahalli.

The Kadabahalli villagers went on sending repeatedly representations to the District Board and the District Revenue authorities to have a shandy at Kadabahally. Very recently a neighbouring villagers of Heraganahalli wanted to have a shandy in their village The District Board which is always lacking in independent views passed a resolution to the effect that Shandies may be held in both the places.

I hear that this matter is under the consideration of the Government.

I live in the neighbouring village of Devaramavinakere which is only a mile from Kadabahalli. I know that there is a need for a Shandy and this ordinary civil right is denied to these poor people since a very long time.

Kadabhalli is situate on Bangalore - Hassan Road. On this road there are two big villages viz., Bellur and Hirisave where shandies are being held. This Kadabahalli is just between those two villages which are about 14 miles apart. This Kadabahalli is just in the mid-way between those two villages, in Nagamangala Taluk

Besides another important Road between Banasandra Railway Station to Melkote passes through this village.

The Kadabahalli villagers approached the Revenue Minister in the month of October at Mysore and presented a petition on this matter.

Sec: I request you to kindly see that Kadabahalli's people are helped with an early order of granting a sanad without further delay and meanwhile you may investigate whether Heragenahalli people could deserve a sanad being or not.

Thanking you,

12. 12. 1946.

Yours sincerely,

M. G. Hiriyanna Gowda
